**Sunday 4 January 2026 – Second Sunday of Christmas**

## ***A New Year***

The early days of the month of January are for many a time of reflection on the year that has passed and a time for making plans for the year ahead. If we have come safely through another year, we are blessed. We should give thanks for it. If our health has been good and our family safe and well, then that is a great blessing. It is right to thank God for these things.

During the past year many in our parish community have suffered losses, making Christmas and the New Year a lonely time.

January despite its cold and wintry weather is a time of hope because there is always the promise that spring is around the corner. There will certainly be ups and downs during the coming year, shocks, surprises and joys.

We all have our hopes and dreams for the coming year, some will have made New Year resolutions and maybe already have broken them, some may be planning a wedding or a holiday. Whatever it is January, and another New Year offers us the opportunity of a fresh start.

As we begin this New Year, perhaps we should reflect on the words of the poem “The Gate of the Year” by Minnie Haskins; “I said to the man who stood at the gate of the year, “Give me a light that I may tread safely into the unknown.” And he replied, “Go out into the darkness and put your hand into the Hand of God. That shall be to you better than light and safer than a known way.”

May God bless our plans for 2026

### *Our Story too*

The story of the Magi is the story of each of us. Like the Magi every human person is born with a call to be answered, a vision to be followed, a goal to be achieved. Everyone must journey and make their own way in life. Inevitably that journey will entail risk. There will be obstacles along the way, detours and even dead ends that will mean we have to start all over again.

On that journey there will be other people; some will turn out to be helpful, while others will delay progress. Like the Magi we all bring gifts, the gifts and talents that God has given to us. The great challenge is that we, each in our own way, use the gifts and talents given by God as God would want us to – for our own good and the good of others.

### **The Year Ahead**

May God make our year a happy one!  
Not by shielding us from all sorrow and pain,  
But by strengthening us to bear it, as it may come;  
Not by making our path easy,  
But by making us sturdy to travel any path;  
Not by taking hardship from us,  
But by taking fear from our heart;  
Not by granting us unbroken sunshine,  
But by keeping our face bright, even in the shadows;  
Not by making our life pleasant,  
But by showing us when people and their causes need us most  
And by making us anxious to be there to help  
God's love, peace, hope and joy to us for the year ahead.
